

A Prayer For Michael Jackson

Songwritten by Raza & Zia. Lyrics, Composed, Arranged, Produced & Engineered by Raza

I guess you had to go
It's hard to see you leave
You gave so much of your love
Guess for someone was hard to believe

Will I ever see you again
Do you know that we miss you my friend

May you rest in peace
And live another life of your dreams
May the angels protect you under their wings
God had smiled upon you
And showed a path to the truth
You were blessed with a loving soul and harmony

Some people can be so cruel sometimes
Consumed with hatred and jealousy
No matter what, how good you treat'em
Will judge you and say whatever they please

Most of us could see that you've been kind and patient
Whenever you were hurt by the people around
I know it was hard to live a life you were living
But some couldn't see what the hell was going around
Repeat Chorus *

I want you to know that God is pleased Oh Yeah!
Of you wanting the world to care for each other
So please! Why don't we let it be?
